

# allsaints sessions

fusion of poetry &  
sound in a candlelit  
15<sup>th</sup> century church

For this Session Cheryl and Alastair are delighted to be collaborating with poet, musician and visual artist STUART MCKENZIE.

Stuart is founder member and electric guitarist with performance art rock trio Wild Daughter who have just had a run of UK gigs supporting Primal Scream.

His sharp and moving poetry draws on his experience as a fashion illustrator, his early life in Manchester, and of course music.

Expect an evening of great poetry, electronics in quadrophonic splendour, and rock and roll!
